Portfolio: <https://fadedmidnight.org/gradybutleriv>

I am a web developer/designer with a passion for technology, art, and design. I'm cool headed, agreeable, hard-working, and committed. I have an AAS of Digital Arts and Web Design. I have been freelancing for the last year to build my portfolio, and am now ready to further my career with a good company to utilize and improve my skills.

Experience:

Web Development	1 year + 2 years of college
AV/Broadcast	8 years
Customer Service	3 years
